

JOURNAL OF THE HOUSE

SECOND REGULAR SESSION, 90th GENERAL ASSEMBLY

TWENTY-SEVENTH DAY, MONDAY, FEBRUARY 21, 2000

Speaker Pro Tem Kreider in the Chair.

Prayer by Father David Buescher.

Almighty Father, You are the glue which binds our world together into meaning. You help turn what might be absurdity into grace. Help these men and women today to continue to hope in and work for meaning and purpose in all their many affairs in conference, in meeting, in research, in consultation with aides and constituents. Help the myriad goings-on of this day come together into pattern and purpose.

For in the end, Lord, either with knowledge and will or not, You are the end and purpose of all we think, will, say, and do. May understanding that comfort, not anger us, with serenity, in the multiform activities of this day. You are God, the ultimate ground of all time that is and will be, this moment, this day, forever. Amen.

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Megan Green and Patrick Green.

The Journal of the twenty-sixth day was approved as corrected by the following vote:

"169.050. 1. On and after the effective date of sections 169.010 to 169.140, all employees as defined in sections 169.010 to 169.141 of districts included in the retirement system thereby created shall be members of the system by virtue of their employment, except as provided by section 104.342, RSMo. Individuals who qualify as independent contractors under the common law and are treated as such by their employer shall not be considered employees for purposes of membership in or contributions to the retirement system.

2. Any person who becomes a member before the end of the school year next following the date on which the system becomes operative may claim credit for service rendered as an employee in Missouri prior to such operative date, or for service rendered in the armed forces of the United States during a period of war, the same as if the person were

a teacher, provided the person was a teacher in Missouri at the time the person was inducted, by filing with the board of trustees, within such time as the board may specify, a complete and detailed record of the service for which credit is claimed, together with such supporting evidence as the board may require for verification of the record. To the extent that the board finds the record correct, it shall credit the claimant with prior service and shall notify the claimant of its decision, but the amount of such credit shall not exceed thirty years.

3. No prior service credit shall be granted to any person who becomes a member after the first year of the system's operation, except as provided in subsection 5 of this section unless that person's failure to become a member before or during that year was due either to service in the armed forces of the United States or to attendance at a recognized educational institution for professional improvement; provided, that the board of trustees may grant prior service credit to a teacher who taught prior to August 1, 1945, if the teacher returns to teaching before July 1, 1950, and if such teacher teaches in the public schools of Missouri not less than seven years after returning before retirement, or the board of trustees may grant prior service credit to a teacher who taught prior to August 1, 1945, if the teacher returns to teaching and teaches at least one-half of the number of years between July 1, 1946, and age sixty but not less than seven years after returning before retirement, except that a member who will have thirty-five or more years of teaching service in Missouri at retirement shall be required to teach not less than three years after returning and before retirement. A person serving in the armed forces of the United States shall have the same right to prior service credit as one who became a member before the end of the first year of the system's operation, if the person becomes a member within one year of the date of the person's discharge from such service or within one year of such date plus time spent as a student in a standard college or university in further preparation for service as a public school employee. A person attending a recognized educational institution for the person's professional improvement shall have the same right to prior service credit as one who became a member before the end of the first year of the system's operation, if the person becomes a member within three years following the date on which the system became operative, and within one year of the date on which the person's attendance at such institution ceased.

4. Membership shall be terminated by failure of a member to earn any membership credit as a public school employee under this system for five consecutive school years, by death, withdrawal of contributions, or retirement.

5. If a member withdraws or is refunded the member's contributions, the member shall thereby forfeit any creditable service the member may have; provided, however, if such person again becomes a member of the system, the person may elect to reinstate the creditable service forfeited at times of previous withdrawals or refunds. The reinstatement shall be effected by the member's paying to the retirement system with interest the total amount of accumulated contributions withdrawn by the member or refunded to the member with respect to the service being reinstated. A member may reinstate less than the total service previously forfeited, in accordance with rules promulgated by the board of trustees. The payment may be made over a period not longer than five years or the length of service to be reinstated whichever is longer, beginning from the date of election, or prior to retirement, whichever is earlier, and with interest on the unpaid balance; provided, however, that if a member is retired on disability before completing such payments, the balance due with interest may be deducted from the member's disability retirement allowance.

6. Any person who elected to purchase creditable service pursuant to section 169.055, 169.056 or 169.057 and failed to complete payment within the time allowed may again elect to purchase creditable service pursuant to those provisions, if the election is made before July 1, 1998. The election may include a purchase of creditable service for the same period for which the earlier election was made.

7. Any person who would be entitled to elect to purchase creditable service pursuant to section 169.055 for unpaid maternity or paternity leave except for the fact that the person returned to employment in a position covered by the retirement system more than five years after the end of the leave period may elect to purchase such creditable service if the election is made before July 1, 1998.

8. Any person who would be entitled to purchase creditable service pursuant to subsection 1 of section 169.055 except for the fact that the application was made on or after June 19, 1997, may elect to purchase such creditable service if the election is made before July 1, 1998.

9. Notwithstanding any provisions of this chapter to the contrary, any administrator who had been a member of the system and lost eligibility as a result of the discovery that the administrator was not the holder of a current valid Missouri certificate who subsequently obtained a Missouri certificate shall be reinstated as a member and permitted to retain all benefits accrued pursuant to RSMo. 169.010 to 169.141." ; and
